

**Feeding the Valley, Inc.**  
**Annual Report July 2009-June 2010**

**Administrative Structure:**

The Food Bank operates with a Board of Directors who provides policy and guidance to the Executive Director. The Executive Director manages and supervises the operations of the food Bank with the following management staff: Operations Administrator, Food Sourcing Manager, Kids Café Program Director and Inventory Control Manager

**Volunteers:**

Our volunteers are helping primarily with packing our food boxes for the Mobile Pantry and Family Pack Programs. Various civic groups, churches, students and concerned individuals volunteer their time to make this program successful. We also rely on volunteers to assist the Kids Cafe site supervisors in serving the children each day. For fiscal year 2009-2010 volunteers provided 6126 hours of service.

**Food Distribution:**

For fiscal year July 2009- June 2010 we distributed 3,363,020 pounds of food through Mobile Pantry and our Member Agencies. Together we provided food to 67,300 families. Our focus has been on providing good customer service and a variety of nutritious foods for our member agencies to provide to the families they serve.

**Kids Café:**

The Kids Café Program took a giant leap forward with the addition of its first Program Director. Our Kids Café Director has helped in the areas of meal planning, the use of volunteers to provide educational activities at the sites and providing the Summer Feeding Program and CACFP programs for the first time in Kids Café History. For fiscal year 2009-2010 96,110 meals were provided children in need throughout Columbus and the Phenix City AL areas.

**Mobile Pantry:**

Because of the rural areas we serve Mobile Pantry has been a vital link in providing Food to families in need where food pantries are limited. This year we have increased the number of sites receiving Mobile Pantry and increase the number of deliveries. Our trucks are on the road on a weekly rather than quarterly basis to get food to rural families. For fiscal year 2009-2010 we provide 1,650,164 pounds of food to needy families through Mobile Pantry
